6:00pm

Join us for an evening to support animals in our community. MCHA's 14th annual benefit auction and dinner includes both a live and silent auction, a plated dinner, and dancing! The Tails on the Town event raises over \$60,000 toward our annual budget in just one evening!

This event is made possible by the generous support of sponsors, businesses, and attendees. Featuring auction items in all price ranges and an expected attendance of over 250 guests, Tails on the Town offers a unique marketing opportunity for donors.

FUND AN ITEM AT TAILS ON THE TOWN

Tails on the Town is not just an opportunity to support the MCHA with fun, food, live and silent auctions, drinks, and dancing! Each year, Tails on the Town features an essential "Fund an Item" as part of the live auction. Tails on the Town guests are asked to collectively raise their bid paddles to support a unique and special initiative for the year. In 2019, attendees were asked to raise \$25,000 towards much needed purchases for the new clinic at our Animal Care Campus.

MCHA is an independent 501c(3) nonprofit organization that does not receive government funding and is not affiliated with any national humane organizations. MCHA is an animal welfare and advocacy organization focused on proactive efforts to improve the lives of companion animals in our community, share education, and provide opportunities for owned pets and families in the Monroe County communities.
